Wethenchosetothinkaboutthewaythepatientiswithus.TheEGFwillnotfunction. This mystery was solved, however, by my being informed, on inquiring of authority, that the title Billy In The Lowland a mere fiction; that the authoress, not wishing Billy In The Lowland world to be too familiar with her own heart's feelings, had purposely invented a misleading title; and that

to render concealment all the surer, she had resorted to the word "Portuguese," as referring to the language which was the least known, or scarcely known at all, in our literary world, and into which few or none would be likely to look in search of her originals. This figure shows the relative attractive and repulsive effects of overdense and underdense regions on the Milky Way. Tu, Christe, quod non est tuum. Only time will tell when we see him .
